

Polytech's Team at the Forum "Ecosystem of Innovations: Universities and Research Centers"

The Forum "Ecosystem of Innovations: Universities and Research Centers" took place on 21 and 22 April in Moscow. This event is a logical continuation of the 2nd annual Forum "Ecosystem of Innovations", which took place in December, 2015, in Krasnaya Polyana (Sochi). The organizers of the Forum were the Russian Venture Company, the National University of Science and Technology "MISIS", and the Financial University under the Government of the Russian Federation.

The event included 16 panel discussions and 8 master-classes from representatives of 100 world's top universities. The key subjects of this Forum were developing innovative ecosystems of universities and scientific organizations and also developing universities in compliance with goals and tasks of the National Technology Initiative – Universities 3.0.

At the Forum SPbPU was represented by employees of the Institute of Advanced Manufacturing Technologies and the Computer Engineering Center (CompMechLab®), by Technopark "Polytechnic", the project office of the Program "5-100-2020", and Fab Lab.
