

POLYTECH

Peter the Great
St. Petersburg Polytechnic
University

International Master's Degree Programs

Fields of study	Tuition fees per year (Rubles) Foreign	Tuition fees per year (Rubles) Russian
ENGINEERING		
Civil Engineering	286 000	209 000
Energy Efficient and Sustainable Building	286 000	209 000
Energy Technology	286 000	209 000
Power Plant Engineering	286 000	209 000
Electrical Power Engineering	286 000	209 000
Intelligent Systems	286 000	209 000
Innovative Technologies in Metallurgy	286 000	209 000
Communication Design	376 000	270 000
Continuum Mechanics: Fundamentals and Applications	286 000	209 000
Materials and Structures for Extreme and Special Conditions	Recruitment for 2017-2018 academic year is not conducted	
Mechanics and Mathematical modeling	264 000	194 000
NATURAL SCIENCES		
Mesoscopics and Advanced Materials	286 000	209 000
Photonics and Nanoelectronics	286 000	209 000
Microelectronics of Telecommunication Systems	286 000	209 000
ECONOMICS AND MANAGEMENT, HUMANITIES		
International Business Development	264 000	194 000
International Management	264 000	194 000
International Management in Tourism	264 000	194 000
International Marketing Management	Recruitment for 2017-2018 academic year is not conducted	
Innovative Entrepreneurship	264 000	194 000
Technologies for Business Engineering	264 000	194 000
Region Studies: Russian Federation	264 000	194 000
