

International Forum Student Project Marathon 2019

On December 5, 2019 Peter the Great St. Petersburg Polytechnic University in cooperation with its strategic partner - Graz University of Technology - will summarize the results of the international student project marathon, which took place in both universities during the year. Student project marathon has become an innovative practice of international interuniversity cooperation: a project of this format has been launched by SPbPU and TU Graz for the first time. 6 international teams took part in the marathon. At the finalizing forum the participants will present the results of joint project activities for the following projects:

- Project management collaboration using Building Information Modeling on the BIM 360 platform (Institute of Civil Engineering)
- NoSQL DBMS Based on a New Data Model (Institute of Computer Science and Technology)
- Intelligent Real Estate Assistant (Institute of Computer Science and Technology)
- Intelligent Recommendation System for Student Individual Educational Trajectory Building (Institute of Computer Science and Technology)
- Laser and Electron Beam Welding (LEBW) (Institute of Metallurgy, Mechanical Engineering and Transport)
- Friction Stir Welding (FSW) (Institute of Metallurgy, Mechanical Engineering and Transport)

The banner features a light blue background with a network of white lines and nodes. At the top left, there are three logos: '120' in blue, the 'POLYTECH' logo (a green square with a white 'P' and 'T') and 'Peter the Great St. Petersburg Polytechnic University' in black, and the 'TU Graz' logo (a red square with a white 'T' and 'U') and 'Graz University of Technology' in black. To the right of these logos, the word 'JOINT' is written in large, bold, green capital letters. Below this, the main title '“STUDENTS PROJECT MARATHON”' is written in large, bold, dark blue capital letters. At the bottom left, the year '2019' is written in large, bold, green capital letters. The bottom right corner of the banner has a green diagonal shape.

Students and young scientists interested in gaining experience in international projects are invited to participate. The Forum will be held at SPbPU International Resource Center, Grazhdanskiy Av, 28a, Academic Building 16. The language of the event is English.
