

The PRC Consulate General in St. Petersburg provided support to the SPbPU International Office

The Consulate General of the People's Republic of China in St. Petersburg handed over 5,000 disposable medical masks to the international campus of Polytechnic University. "The Department of Education of the Consulate General of the People's Republic of China in St. Petersburg presents Peter the Great St. Petersburg Polytechnic University its respect and thanks for the continued assistance to Chinese students," said the Consul for Education of the Consulate General of the People's Republic of China in St. Petersburg Mr. Sun LILIN.

Let us remind that the Consulate General of the People's Republic of China in St. Petersburg [organized a charity event for Chinese students](#) of Polytechnic University. On April 28, 2020, volunteers from the Advisory Center for Chinese Students at SPbPU and Consulate's voluntary assistants handed over individual anti-virus protection kits to international students. The kits included medical masks and a variety of disinfectants. Altogether, almost fifteen hundred of Polytechnic University's Chinese students have got support from the Consulate.

"We are enormously grateful to the Consulate General of the People's Republic of

China in St. Petersburg for their help during this difficult time for all of us. On behalf of the leaders of St. Petersburg Polytechnic University, we express our sincere gratitude and deep respect for your support. We greatly appreciate our many years of cooperation," emphasized SPbPU Vice-Rector for International Relations Dmitry ARSENIIEV.
