

## Universidade Federal do Rio de Janeiro Celebrates its' 100th Anniversary

On the 7<sup>th</sup> of September 2020 partner of Peter the Great St. Petersburg Polytechnic University - Universidade Federal do Rio de Janeiro (UFRJ) - celebrates its' 100<sup>th</sup> anniversary. From all the students, faculty and administration of Polytechnic University we express our warmest congratulations on the 100th anniversary of the Federal University of Rio de Janeiro.

100<sup>th</sup> anniversary is a remarkable date. Over a century the Federal University of Rio de Janeiro is occupying a leading position in the education market, represents as an authoritative research center and makes significant contribution to the development of science and education.

*"We are extremely pleased to cooperate with the first and largest federal university in Brazil and we highly appreciate our esteemed partner UFRJ. We just started cooperation but already achieved a lot together and we have the potential of expanding our cooperation further and contributing to the advancement of the world-wide research, education and social development"* – said Academician of the Russian Academy of Sciences, SPbPU Rector Andrei RUDSKOI.
