

## **Attention!**

All **foreign citizens** (except for citizens of the Republic of Belarus and citizens having the status of temporary residence permit or residence permit) arriving in Russia must undergo mandatory fingerprint registration, photographing and medical examination (in accordance with Federal Law № 274-FZ of 01.07.2021):

- Students, postgraduate students, trainees - **within 90 days from the moment of entry into the Russian Federation**
- Foreign teachers - **within 30 days from the moment of entry into the Russian Federation**

**Foreign citizens who have not undergone fingerprinting and medical examination** within the specified period will be obliged to leave the territory of the Russian Federation before the expiration of 90 days from the date of entry. **The documents of these citizens are not subject to extension.** Extension of visa and migration registration will be denied in accordance with the Federal Law of the Russian Federation № 274-FZ from 01.07.2021. In this case, the student may be expelled for violation of the passport and visa regime and violation of migration law.

To undergo mandatory fingerprint registration, photographing and medical examination, foreign **citizens** must apply in person to:

**St. Petersburg, 10-12 Krasnogo Tekstilshchika Str., lit. B (entrance 2 from the courtyard)**

### **Working schedule:**

- Monday to Thursday: 9:00 a.m. to 6:00 p.m.
- Friday: 9:00 a.m. to 4:45 p.m.
- Lunch break: 1:00 p.m. to 1:45 p.m.
- Saturday-Sunday: weekend

**IMPORTANT: you must bring your passport, a notarized translation of your passport, a migration card and a valid registration.**

Contact phones:

- 8 (812) 318-01-22 - St. Petersburg and Leningrad Oblast branch of FSUE Passport and Visa Service
- 8 (812) 318-05-67 - Unified Medical Center

**According to the results, the foreign citizen receives a document confirming the passing of fingerprint registration and photographing and a certificate of acceptance of medical documents.**

On the cost of services at 10-12 Krasnogo Tekstilshchika Str.: medical examination and dactyloscopy - **6200 rubles**.

**ATTENTION:** The medical examination can be performed at the following address: St. Petersburg, 10-12 Krasnogo Tekstilshchika Str., lit. B (entrance 2 from the courtyard), or at any medical institution listed in Appendix 1. Medical documents are valid for 12 months. After this period, foreign citizens must apply again within 30 calendar days to undergo a medical examination.

The period of temporary stay in the Russian Federation of foreign citizens is reduced if they fail to comply with the obligation to undergo mandatory state fingerprinting registration, photographing and (or) medical examination.

If as a result of a medical examination, the fact of the use of narcotic drugs or psychotropic substances without a doctor's prescription or new potentially dangerous psychoactive substances is established, or it is established that these foreign nationals suffer from a disease caused by human immunodeficiency virus (HIV infection), the decision on undesirability of stay (residence) in the Russian Federation or the decision on non-admission to the Russian Federation is made.
