

POLYTECH

Peter the Great
St. Petersburg Polytechnic
University

KEY ADVANTAGES

- a wide variety of programs
- studies in English language
- international groups
- double degree options
- student mobility option
- professors from SPbPU and the world's top-ranked universities
- world-class research labs
- professional and language practice
- tutor support
- comfortable dormitories and great student's life
- scholarship opportunities
- "Open Doors" olympiad for international students

INTERNATIONAL MASTER'S DEGREE PROGRAMS

*taught
in English*

WHAT

30 up-to-date
postgraduate programs

WHERE

Russia, Saint Petersburg
60.007465, 30.373109

WHO

International
English-speaking students

LIST of International Master's Degree programs

ENGINEERING

Civil Engineering
Energy Efficient and Sustainable Building
Environmental Engineering in Urban Construction
Emergency Preparedness and Response
Nuclear Power Engineering
Energy Technology **DDD**
Power Plant Engineering **DD**
Electrical Engineering **DD**
New Materials and Additive Technologies
Laser and Fiber Optic Systems
Intelligent Systems **DD**
